

Jeff Hiatt  
87 Lafayette Rd. Suite 11  
Hampton Falls, NH 03844  
1999-Present  
MS Consultants, LLC

**Director of Business Development**

Has been affiliated with MS Consultants, LLC and has helped this Engineering firm become New England's leading provider of Cost Segregation Studies. To further help their RE clients, the firm has helped to identify, implement and manage all aspects of the "Energy Equation."

This includes monitoring utilities, reducing usage of all resources, managing the tax credit/rebate process and reducing the prices on the commodities being purchased. Jeff has developed and fostered relationships with individual clients, accounting firms and Societies. Has organized and run a practice helping Commercial property owners reduce expenses on all types of commercial properties.
